USWGO Alternative News reporter needs lawyer to overturn wrongful conviction?

(self.freetalklive)

submitted 9 minutes ago by [STanley_Bolten](#)

I, Stanley Bolten, are asking all lawyers that are reviewing Free Talk Live posts, to consider taking the Federal case of United States of America v. Brian David Hill, U.S. District Court for the Middle District of North Carolina. Docket # 1:13-cr-00435-WO. He was wrongfully convicted and framed upon a single count charge of possession of child pornography, not distribution nor even production but only a possession. He was framed just as the Feds are doing to Ian Freeman of FTL. They tried this with Stewart Rhodes, Melissa Melton, Madison Ruppert of EndTheLie, Jeffrey Lewis of the Patriot Coalition, and even Dan Johnson. Brian needs to overturn his wrongful conviction to deter the child porn frame ups from succeeding. Brian needs a lawyer and he needs a lawyer before his 3 year time limit under Rule 33(Fed. Rules of Crim. Procedure) to file a Motion for a New Trial based on newly discovered evidence that could not be discovered with due diligence. Any lawyer in North Carolina needs to take his case. Former USWGO Alternative News reporter needs a lawyer.
